

San José Costa Rica, November 2016.

Dear Mr Choupina:

We salute you, and express our recognition to you, for your contribution to report a security vulnerability in the website pyme.go.cr, that belong to the network of institutional sites of Ministerio de Economía, Industria y Comercio of Costa Rica (MEIC).

We appreciate yours effort and the information that you sent to us, the Depto Tecnologías of Information and Communication. We reported it to the administrators so they can solve the security problem. Thanks again for your time and considerations to report it.

Best regards:

Depto of TIC.
