From: Christian Hamer, Chief Information Security Officer
Subject: Thank you to Paulo Choupina for responsibly reporting vulnerabilities
Date: May 29, 2017

Harvard Information Security would like to thank Paulo Choupina for responsibly reporting a SQL injection vulnerability in a Harvard website in May, 2017 along with instructions for reproducing the problem and allowing time for us to work with the impacted site owner before making the issue more widely known.

Harvard appreciates responsible reporting of information security issues impacting our systems and networks.

Thank you, Paulo!

Sincerely,
